

Remarks

The present amendment is being filed in response to the Official Action mailed on March 13, 2006. The Official Action objected to the abstract of the disclosure. Claims 10-12 were objected to due to informalities. Claims 1-15, all of the pending claims, were allowed over the prior art of record.

The abstract of the disclosure has been amended to replace "comprises" with "includes". Claims 10 and 15 have been amended to address the informality objections.

All of the pending claims being in order for allowance, prompt allowance of the present application is requested. Any questions regarding this application may be raised by telephone with the undersigned if it is considered that processing of this application will be expedited thereby.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'SRQ', with a long horizontal line extending to the right.
